A Capital Senior Living Community

After a cup of coffee
in my apartment each morning,
I step right outside my door
to a lively community
with lots to do.

AT SPRING MEADOWS, you'll awake each morning knowing that the possibilities for your day are endless. With chores a distant memory, you'll be free to design your lifestyle any way you'd like. Maybe you'd like to savor that first steaming cup of coffee relaxing in the privacy of your apartment, or perhaps you'd prefer to join friends for a chat before a tasty breakfast. Then plan your day to suit your interests.

Pick up a best-seller from our library, or head to the fitness center. Go shopping, join in on a billiards game. Take time to explore the places you've never had time for until now. Take up a new hobby. Make new friends, or rekindle old relationships.

You'll discover an enriched lifestyle at Spring Meadows, whether you enjoy **independent living**, or need the support of **assisted living** services to enjoy your days.
